PH METER

Model : PH-207HA

pH, mV, ATC ISO-9001, CE, IEC1010

The Art of Measurement

PH, mV, ATC PH METER

Model : PH-207HA

	case, designed	* With the optional temp. probe for automatic			
for easy carry out & operation.			temp. compensation or temp. measurement.		
* Records Maximum, Minimum and Average			* The instrument build in mV (milli volt) measuring function, useful for making		
readings with RECALL.					
* DATA HOLD function to freeze the desired			ion-selective, ORP, and other precise mV		
value on display.					
* Auto shut off saves battery life.			* Built in SLOPE (pH 4) & CAL. (pH 7)		
* Built-in low battery indicator.			calibration VR on the front panel, easy for		
* Multi-measurement : pH, mV, Temperature.			single point or two points pH calibration,		
* Temperature function for °C or be selected			* Wide applications: water contioning, aquariums,		
by push button on front panel easily.			beverage, fish hatcheries, food processing,		
* Dual display, show the pH & temperature values			pHotograpHy, laboratory, paper industry, plating		
		industry, quality control, school & college,			
у.
